

Successful Integrated OHSAS 18001 & EMS 14001 Recertification Audit 2015

By LELY MARIATI BT MAT NOR

Executive- Quality, Safety, Health & Environment Department

After 3 years from the last recertification audit, Cofreth was once again audited by SIRIM QAS for OHSAS 18001:2007 & EMS 14001:2004 on 29th & 30th April 2015.

This recertification audit was carried out at Cofreth's site offices & HQ.

The objective of this audit is to identify the effectiveness of OHS & EMS (Occupational, Health & Safety dan Environmental Management Systems) implementation within the company.

Based on the 2 days' audit by SIRIM QAS auditors, Cofreth had successfully passed both the OHSAS 18001:2007 & EMS 14001:2004 audit systems with **Zero Non Conformance Report (NCR)**.

C o n g r a t u l a t i o n s
to all Cofreth staff for all your hard work
& commitment during the audit.
